## THE ESTATE

Concealed from even the most curiously inclined, Abbeville Estate is Auckland's boutique destination for all corporate events.

Surrounded by trees and landscaped grounds, the beautifully restored heritage-listed buildings that make up the Estate offer you the opportunity to tailor the most productive day.

Our historic homestead is nestled within 11-hectares of rolling farmlands ensuring that Abbeville remains peaceful and private, yet surprisingly well located with proximity to Auckland Airport and the CBD.

Its proximity to Auckland Airport makes Abbeville Estate ideal for corporate events that bring together teams from across the country. Accommodation for out-of-town visitors can be found at the nearby hotels.

The Homestead is wired for video and audio, with a built-in projector available for booking. A separate Garden Room can be used as a break-out space or opened up to create a single flowing space.

The rustic nature of the Barn provides an uncommon environment for any corporate event, product launch or fashion show or shoot.

Team building activities can be found just a short walk away from Abbeville Estate - They include a high ropes confidence course, paintball and a golf course and driving range.

# OUR SPACES

## THE BARN

An original part of the Homestead, the Barn offers an authentic and rustic air to any event. The hewn timber frames speak of over 150 years of history. Below your feet, rustic flooring adds an earthiness to the space.

The Barn can comfortably accommodate up to 200 guests for cocktails. It can also be set up to seat up to 40 inside & makes for a beautiful rustic breakout option.

## THE HOMESTEAD

Built in 1854, the Homestead was christened Abbeville in the 1930s. Its transformation has been remarkable.

The Homestead seats 80 in its main dining room for conferencing. Large doors lead from this room to a welcoming Garden Room which can be used as a cocktail area.

The Garden Room seats 20 and with the doors open, the entire dining and Garden Room flow into one.

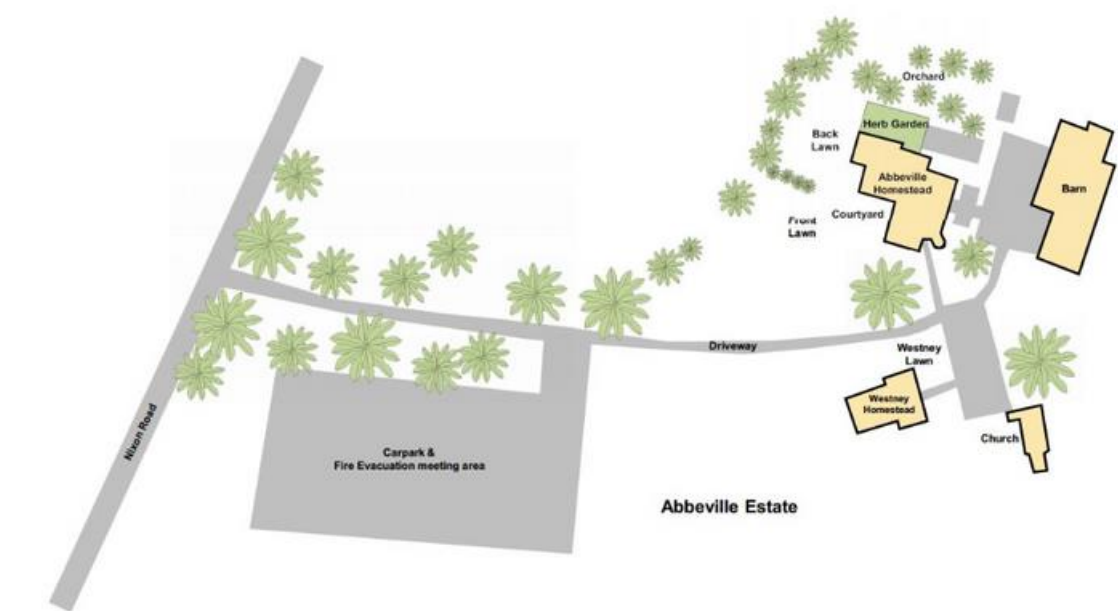

A separate parlor provides an additional private space for breakouts and meetings
