## THE ESTATE

Concealed from even the most curiously inclined, Abbeville Estate is Auckland's boutique destination for all corporate events. Surrounded by trees and landscaped grounds, the beautifully restored heritage-listed buildings that make up the Estate offer you the opportunity to tailor the most productive day.

Our historic homestead is nestled within 11 hectares of rolling farmlands, ensuring that Abbeville remains peaceful and private yet surprisingly welllocated with proximity to Auckland Airport and the CBD. Its proximity to Auckland Airport makes Abbeville Estate ideal for corporate events that bring together teams from across the country.

Nearby hotels offer accommodation for out-of-town visitors. The Homestead is wired for video and audio, and a built-in projector is available for booking.

A separate Garden Room can be used as a break-out space or opened up to create a single flowing space. The barn's rustic nature provides an uncommon environment for any corporate event, product launch, or fashion show or shoot.

Team-building activities are just a short walk from Abbeville Estate. They include a high-ropes confidence course, paintball, a golf course, and a driving range.
